The New Firetruck

The combination pumper-tank truck, manufactured by the Howe Fire Apparatus Company, Anderson, Indiana, is a 1964 N-700 Ford chassis with optional 186HP V-8 engine, possitraction rear-end and heavy duty mud and snow tires.

The new firetruck is equipped with the following features:

- a. 500 gallon per minute piston pump
- b. 500 gallon water tank
- c. capable of carrying 1500 ft.-2000 ft. of 2½" hose
- d. capable of carrying 500 ft.-600 ft. of 1½" hose
- e. booster reel with 200 ft. of "live" 1 inch hose
- f. one 35 ft. extension ladder
- g. one 16 ft. extendable roof type ladder
- h. heated pump and booster reel compartments; and
- i. five other large compartments.

As a result of the money received from the October 10, 1964 auction of the old truck, we were able to purchase a new Johnson messenger two-way radio and a pair of roller type tire chains.

Upon arrival in New Boston village on Thursday, September 10, 1964, the new truck passed a three hour New Hampshire Board of Underwriters Acceptance Test.

1965 FINANCE COMMITTEE REPORT

We recommend that the Town Budget be accepted as prepared by the Selectmen with the exception of the increase of \$150.00 in the appropriation for Town Officers' Expenses to cover the cost of having a State Assessor return to appraise the improvements that have been made and the new real estate.

We feel that with the exception as mentioned above, all items are reasonable estimates and should be approved.

Town Warrant

We feel that all money items should be approved as presented in the Town Warrant.

School Warrant

The Finance Committee recommends that the School Budget be approved as it stands.

FUTURE FARMERS OF AMERICA Forestry Project Report

This year the Piscataquog Chapter spent a total of 334 hours in the woodlot divided as follows: free 78 hours, class hours 240, paid hours 16. The chapter sold 15½ cords of hardwood at \$22.00 per cord for a total of \$341.00. We salvaged pine logs trimmed from the top of the Town sand pit and had 900 board feet of lumber sawed for use in our woodworking program.

This being the final year for the F. F. A. to manage our woodlot, the Piscataquog F. F. A. chapter would like to take this opportunity to thank the Town of New Boston for giving us an opportunity to manage and carry out recommended forestry practices in a 42 acre woodlot. We feel

that the woodlot has been of tremendous aid in helping us carry out the forestry section of our Vo-Ag program.

As of July 1, 1965, the woodlot will be given back to the Town of New Boston. The F. F. A. boys feel that the value of the woodlot has been improved to the extent that the venture has proven valuable to both New Boston and the Piscataquog F. F. A. Chapter.

PAUL G. MANSFIELD,
Forest Fire Warden

Report of the Forest Fire Warden and Your District Chief

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy—both industrial and recreational—is greatly dependent on this forest

resource. The responsibility for adequate fire protection of this great area — 4,350,000 acres — is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of New Boston:

I herewith submit my annual report relative to the New Boston schools.

The schools of New Boston enrolled 252 pupils in September 1964 as follows:

<i>Elementary School</i>		<i>High School</i>
Grade 1 - 29	Grade 5 - 29	Grade 9 - 8
Grade 2 - 25	Grade 6 - 24	Grade 10 - 13
Grade 3 - 29	Grade 7 - 14	Grade 11 - 18
Grade 4 - 20	Grade 8 - 24	Grade 12 - 19

Total Enrollment - 252

Elementary	194
High School	58
Tuition Pupils (H.S.)	15

GRAND TOTAL 267

The elementary school, under the direction of Gerald Johnson, Principal, has introduced departmentalized work in grades 4, 5 and 6 and gained the advantages inherent in departmentalization. Much progress has been made in the areas of reading, mathematics, social studies and physical education. Cadet teachers in the elementary grades were an innovation this year and a mutual contribution resulted.

The citizens of the town of New Boston voted to have the students of grades seven through twelve educated under a long-term contract with the Goffstown School District at the new Goffstown High School and the present Goffstown High School (grades 7 and 8).

The future educational effort of New Boston falls into two categories. First, to effect the contractual agreement in a manner that serves the best educational interests of all grade seven through twelve students that none will be denied the opportunity to develop his interests and abilities to the limit of his potential. Secondly, to effect a continuous program of evaluation and improvement of the local elementary school system (grades one through six) to the end that each New Boston boy and girl enrolled in grades one through six will have an educational opportunity second to none in New Hampshire and of a sufficient calibre that his preparation will serve him well in his seventh and eighth grade and high school years. The elementary school education must be adequate to insure success at the individual ability level whether the secondary school work is terminal or preparatory for college or other post secondary pursuits. These ends can be accomplished only by a concerted and united effort by all of the citizens of New Boston, and the unified support of the community.

It is gratifying for me as your superintendent of schools to report that the citizens of New Boston are vitally concerned with the educational

effort of the community and exhibit pride in the individual accomplishments and successes of the boys and girls of New Boston.

As the administration, the teachers, the parents, and the citizens, as friends of education, present a united front for quality education at a cost compatible with the resources of the town of New Boston, the youth of our community will be best served.

In conclusion, I wish to acknowledge the tireless work and dedicated service of the School Board, Milton Elliott, Chairman, George L. Peirce and Howard Towne, and the countless citizens of New Boston for their continued efforts on behalf of quality education for the boys and girls of New Boston, and the principals, Gerald Johnson and Paul Spellman, the teachers and the students for their excellent cooperation. The Supervisory Union personnel, Spiro Anastos, Teacher Consultant, Mrs. Ruth Henk and Mrs. Harold Smith have given unified support.

Future progress in the improvement of the educational opportunity of the boys and girls will be assured by the continued strengthening and unification of all forces for good education in New Boston.

Respectfully submitted,
ERNEST PELTONEN,
Superintendent of Schools

RECORD OF SCHOOL MEETING — MARCH 14, 1964**School District of New Boston, N. H.**

The meeting was called to order by the Moderator, Roland Sallada, at 7:00 P. M., March 14, 1964. Prayer was offered by the Rev. John L. Aalfs.

A motion was made by Howard Towne, seconded by Milton Elliott, to take up Articles 1, 2, 3, 4 and 7. The motion carried. Moderator Roland Sallada then declared the polls open for ballot voting.

The moderator introduced the following school officials: Mr. Ernest Peltonen, Superintendent of Schools; Mr. Spiro A. Anastos, Teacher Consultant; Mr. Paul Spellman, Principal of the High School, and Mr. Gerald Johnson, Principal of the Elementary School.

Article 5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

A motion was made by George Peirce, seconded by Milton Elliott, that we pass over Article 5. It was so voted in the affirmative.

Article 6. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

Milton Elliott reported regarding negotiating for a long term contract for New Boston High School pupils to attend Goffstown High School. The report is favorable when their new school is completed. Mr. Peltonen said the legal problems of the Goffstown school building were settled in court favorable to the new school building.

George Peirce made a motion, seconded by Milton Elliott, to pass over the rest of Article 6. The motion carried.

Article 8. A motion was made by Milton Elliott, seconded by George Peirce, that the district will raise and appropriate \$143,049.47 for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town. It was so voted in the affirmative.

Article 9. A motion was made by George Peirce, seconded by Howard Towne, that the District vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States. The motion carried.

Article 10. To transact any other business that may legally come before said meeting.

George Peirce moved, seconded by Howard Towne, that when the

polls are closed and the ballots counted and the results are posted the meeting be adjourned.

The meeting adjourned 10:05 P. M.
